

Noranco Receives Bombardier 3 Star Recognition

Noranco is pleased to announce that they have been awarded Certification to **3 Star Status** in the Bombardier Aerospace Supplier ranking program.

To qualify for **3 Star Status**, suppliers are required to achieve and maintain exacting performance levels in the following disciplines:

Delivery Performance	Quality Performance
5S Program Maturity and Stability	Supply Chain Control and Development
Employee Communication Program	Continuous Improvement Strategy Plans

The qualification demands constant improvement throughout, and involved the complete cooperation of all employees at every level of the organization.

We are very proud with the dedication and determination shown by our employees which exemplifies our continued commitment to support our customers' needs and expectations, and to achieve the highest levels of performance.
